PENTECOST PRAISE!

GenR8 are hosting the team Pentecost Praise on 5th June at St Stephens Church. It starts at 6.30 but arrive from 6pm for drinks and cake. Is God alive and working today through his spirit or did that all end with the friends of Jesus? Be inspired by the story of Pentecost and be encouraged as people share their stories of God's spirit working in today's world with today's disciples. If you have a story of how God has worked in your life then let us know and it would be great if we could share it to encourage others. See www.genr8.org.uk or find us on facebook

[This month's evening event combines GenR8 and the Team's Pentecost Praise event in one. It looks like it will be a really great time and we are looking forward to getting together with folk from all 4 churches, some of whom may not have been to GenR8 before.]

WOW! Good Morning GenR8

WOW: Grand Designs

WOW continues on 5th June this month celebrating 'National Family Week' at 10.30-11.30, with its theme of Grand Designs, a riot through the book of Nehemiah!

This month, Nehemiah shares his ideas with his friends about rebuilding the wall. Will they help him or will he be left on his own without even Bob the Builder to keep him company?

See www.genr8.org.uk or find us on facebook.

(WOW events are designed for all-ages - and like a family meal there is something for everyone! If you have little ones then bring them along and ask about one of the many children's' and young peoples' groups across the 4 churches. And if you want more, the evening event also has something for everyone.)

Prayer requests

Please remember the following in your prayers:

Do let us know of any prayer requests or answers to prayers and we will share them with everyone across the four churches.

Our big prayer request this month is for 'Refuel'— a city-wide ecumenical event for children (principally 7-11 year olds). This event is drawing helpers from churches across Leeds (GenR8 has been invited to be involved too and will be contributing to the leadership) - it's a huge project involving lots of people with a heart to provide something new and different for Leeds' children. Please pray for all the leaders involved, all the kids and their friends who go there, and especially for Anne Carter, who is spearheading the whole project

Has God answered your prayers recently? Why not share them here? Your story may encourage and enrich others.

Coming up!

Future GenR8 events are on the back page so that you can add them to your diaries. Hope to see you there! Don't forget to keep in touch throughout the month via the web and *facebook* too!

Refuel—11 June, 4-6pm

A new city-wide project in Leeds for children between 7 and 11. This will be held in Mosaic Church on Sweet Street in the city centre, a huge warehouse space where lots of things can take place. This will be the first event of this new venture (supported by Scripture Union) and will engage and inspire young people across the city. Please pray for it and encourage young people you know to attend. (www.refuelleeds.org.uk)

WERE YOU THERE? News from the Parish Team Day

One body many parts?

When: 22nd May 2011

Why: To meet together as churches across the Moor Allerton team and talk about vision, mission and why we are here.

What: Led by Jean Henderson, Arch Deacon and Charles Dobbin, team rector, members of each church of all ages met in groups to discuss their thoughts and share their ideas about why the church is here in Moor Allerton. Food and drink was shared and Charles is going to send out a summary of people's thoughts in the next few weeks. Big topics included communication across the team and balancing diversity with working together.
